

Love Amato's more.

Although we may be a bit biased, we are extremely convinced that the more you eat our fresh-made, great-tasting food the more you'll love us. It's true.

While there are no scientific studies to back that claim, we do know that **we have been pleasing hungry people just like you with great Italian foods since 1902.** Back then, when Giovanni Amato started selling sandwiches to the hungry workers on Portland's waterfront, he **committed himself to using the freshest ingredients he could find** and serving

his creations at a fair price.

In fact, Giovanni invented the very popular Amato's Italian way back then.

Served on bread baked by his family.

Over the years we've

added to our menu and now offer pizza, pasta, pazzo bread, wraps... all kinds of tasty treats to help you feed your hungry self and/or your family and friends. But we remain intensely committed to freshness and flavor.
